

Standards on Slavery and Human Trafficking in the Supply Chain

Pursuant to the California Transparency in Supply Chains Act and consistent with our commitment to excellence and corporate social responsibility, Avenues Technology Limited supports the eradication of human trafficking and slavery in supply chains around the world, including ourselves shall comply with the following Company Standards:

1. Avenues shall operate in full compliance with the laws of the countries in which Avenues does business and with all other applicable laws, rules, and regulations.
2. Avenues shall employ only workers who meet the applicable minimum legal age requirement for employment in the country or countries in which they are doing business.
3. Avenues shall not employ any prison, indentured or forced labor.

Another key factor in our corporate social responsibility commitment is the following supplier standards we set forth as a condition of doing business with Avenues:

1. Suppliers must comply with all applicable laws, regulations and industry standards on working hours and working conditions.
2. Suppliers that provide goods or services to Avenues shall operate in full compliance with the laws of their respective countries and with all other applicable laws, rules and regulations.
3. Suppliers shall employ only workers who meet the applicable minimum legal age requirement for employment in the country or countries in which they are doing business.
4. Suppliers shall not employ any prison, indentured or forced labor.
5. Suppliers must certify that materials incorporated into goods provided to Avenues comply with the laws regarding slavery and human trafficking of the country or countries in which they are doing business.

Avenues will continue to develop monitoring systems to assess and ensure compliance. If Avenues determines that a supplier has violated these Standards, Avenues may, in its discretion, either terminate the business relationship and/or require the supplier to implement a corrective action plan as a condition of future business.
